

Dear Valued Travel Agent,

Please see PAL updates regarding the following:

1. Fly Safely to Australia with Philippine Airlines!
2. Japan Travel Advisory
3. PAL Flights To/From Clark

1. FLY SAFELY TO AUSTRALIA WITH PHILIPPINE AIRLINES!

Please be advised that effective January 22, 2021, passengers are required to provide a negative RT-PCR test conducted by an Accredited Laboratory 72 hours or less prior to departure. Children who are four years of age or younger at the time of boarding are not required to have a test. Other vulnerable groups may be considered for exemption from a pre-departure test. This will be determined by the Australian Government.

Passengers may arrange RT-PCR Tests through the PAL Testing Facility in Philippine Airlines Learning Center, Manila for only PHP3,300.

Complete the Australia Travel Declaration at least 72 hours before departure for Australia at <https://www.health.aero/au/>

Registration to the PAL Passenger Profile and Health declaration form as early as 5 days before departure via <https://bit.ly/PALIntPPHD>
